

In addition, Ariel has a very strong work ethic. He takes ownership of every project assigned to him. I only need to let him know what the learning outcomes need to be. He accomplishes everything else with great initiative. Ariel is an excellent teacher who will only get better as he gains more experience. He will be a tremendous asset to any district and I recommend him without reservation. If you have any further questions, please don't hesitate to contact me (949-770-8436 or lunat@svusd.org).
